Mrs. Kris

Pre-K and Kindergarten Newsletter

Theme: Spring/Birds

We will be discussing about things you see in the spring. A Rain Showers poem will be enjoyed, and the children will explore kites and wind. In addition, facts and vocabulary about bunnies will be introduced.

Expressive Vocabulary:

Indignant- filled with anger about something unfair, wrong, or bad
Junction- a place where things meet or cross
Kaleidoscope- a constantly changing set of colors
Leadership- the position or office of a leader

Fable: *The Birds and The Beasts*

Review:

Letters: li, Jj, Kk, Ll, subtraction, telling time, money, and measurement

Author Study: Bernard Waber

Language Arts: The boys and girls will practice contractions. We will add new jobs to our concept shelf to practice these. We will also be working on word blends and complete activity pages that will encourage the children to sound out letter blends to create different words. We will keep strengthening our reading skills by reviewing our sight words daily.

Math: The students will learn how to make bar graphs and we will practice with ordinal numbers. We will also review all past material.

Science: Spring is in the air! Birds are everywhere! These weeks, we will explore the wonderful world of birds and learn many different types. These will include: robins, cardinals, blue jays, and hummingbirds. We will also be completing a series of papers that will give information about each bird, along with a picture to color. We will spend time looking at how birds hatch, and learn the structure of their bodies. We will also look at their feathers, and study how they keep warm.
