THEME: Colors 

We will explore colors in a new way. The children have already learned about several colors but through art, concept and stories they will learn a different perspective of colors. The color *gray* will be added to the world of colors.

★ Student of the Week ★
Luke Weltmeyer

Language Arts: Colors here, colors there, so many colors everywhere!! This week our class will talk about the colors that have already been introduced so far this year. The color gray will be added to our color chart. We will have fun exploring these colors through flannel board stories and storybooks. Get ready for a colorful week!!

Concept: Counting colors will enhance both our theme and develop number skills. Sorting jobs from our shelves will reinforce big, little, and color sequence. We will explore color mixing through a fun experiment.

Craft & Writing: Red and Yellow makes Orange!!! Get ready to learn about color mixing as we get creative with our finger paint. Our little artists will make several works of art throughout the week.

Motor: Color Hat Toss is a great way to review our colors and develop eye/hand coordination. A color relay race will get our leg muscles into shape. Stretching exercises will help to keep our bodies limber.

Employment Opportunities

Spread the word!! We are looking for a teacher and a teacher's aide to help out in the classroom for this current school year as well as summer. Child care benefits are offered. If you or someone you know is interested please give Paula or Geri a call at 815/469-2627.

Summer Camp

We are currently full for the summer. All registrations received moving forward will be placed on a wait list.

Spring Break-March 28 thru April 1. Our center is closed to all Preschool students and Extended Day Kindergarten students
