Happy Birthday Tia Gillespie 3/10!

Language Arts: In Language Arts we will introduce the letter Dd and add it to our A is for Amos song. It's fairy tale week so we will be doing lots of flannel board stories like "The Ugly Duckling," "Snow White" and "Cinderella." Our library will be stocked with fun fairy tale books the children can look at.

Concept: This week we are going to be using our favorite fairy tales to help us learn. We are going to be introducing the letter Dd. We'll also be sorting objects and play "What's Missing." It will be more challenging because the objects will be the same except for color. So, the children will have to remember what color object is taken away when they close their eyes. We will practice our spooning skills with the water table as well.

Art: Sprinkle some fairy dust and wave your magic wand, it's time to be creative in art! We are going to have fun working on papers pertaining to our new letter Dd. We will also be doing special projects with fairy tales.
