THEME: Mammals

Lions, Tigers, Bears...which is your favorite? This week we will explore the wonderful world of mammals!!

Have a great week!

Mrs. Paula, Mrs. Karen, Mrs. Julissa and Ms. Vickie

Language Arts: Word family is will be introduced. New vocabulary words *ambitious* and *bewildered* will be discussed. Story # 9 will be added to our shelf with the sight words *I* and *Am*. Many stories about our favorite animals will keep us intrigued.

Concept: Do you feel lucky? We will use our estimation skill this week. Let's see how good we have become at guessing how many items there are versus the actual number of items. A game called "Which One Is Not a Mammal?" is also planned.

Craft and Writing: Dot to Dot and tracing papers help us to review the alphabet this week. We will work on sequencing and create a spring art project to hang throughout our school.

Motor: Spring is coming and weather permitting, we will put a "spring" in our step as we exercise and play "Red Light, Green Light". Let's move through our obstacle course as our favorite animal.
