

**\*\*\*Pre-Kindergarten News\*\*\***  
*for the week of 3/14/22*

- **Theme:** Reptiles
- **Expressive Vocabulary:** fluster—to make nervous  
exaggerate – to make something seem larger,  
grander, or more important
- **Bits of Intelligence:** Musical Instruments

**Language Arts:** The boys and girls will learn about reptiles this week. We will discover that reptiles are cold-blooded creatures that have dry, scaly skin, and hatch from eggs. We'll be sure to include alligators, snakes, turtles, and lizards in our discussion. We'll also talk about amphibians and what makes them different from reptiles.

My Turtle

*Here is my turtle, he lives in a shell  
He likes his home very well  
He pokes his head out, when he wants to eat  
And pulls it back when he wants to sleep!*

**Concept:** We are working hard on learning place value. We will also be working on our following directions games and our different path activities. In science we'll discuss the differences between reptiles and mammals.

**Craft & Writing:** We will begin to work our way through papers reviewing the alphabet. We will practice using listening skills in a "Think and Do" paper, as well as reviewing opposites. Look out for some fun St. Patrick's Day papers and projects.
