**Language:** This week in Language, we will be introducing the letter Dd, so we will go over what starts with the letter "D" in our language folder. We will also do flannel board stories and finger plays about the fairy tale theme. We will also read all the different fairy tales told a long time ago.

**Craft & Writing:** This week in Craft & Writing, the teachers will choose what the art project will be for the day. They will use all different supplies to decorate and color their art craft. We will also have the children practice ripping paper to develop fine motor skills.

**Concept:** This week in Concept, the children will continue counting, sorting, matching and stacking. The children will get a chance to play in the water table if the weather permits.

**Motor:** This week in Motor, we will take out the balance beam, stair steps and tumbling mat. We will also review the color ladder and dinosaur stomp as a group activity outside. As a fun activity we will ask the children to find something with the letter "D" outside.
