Weeks of 3/28 & 4/4
Happy Birthday Cora Eichler 4/6!

Language Arts: For the next few weeks we'll be talking about Spring. We will look at pictures of Springtime and learn a new flannel board story "It's Raining, It's Pouring." Get ready for a shower of Language Arts!

Springtime

(tune : Frere Jacques)
I see rain clouds,
I see birds nests,
Butterflies too, flowers too.
Everything is growing
The wind is gently blowing
Spring is here
Spring is here!

Craft & Writing: We are going to have so much fun with art projects these coming weeks! Be on the lookout for all things spring– raindrops, flowers, bugs, butterflies, and more!

Concept: Welcome Spring!! We will be doing lots of fun activities like looking at spring items in our science bin, observing the changing trees and grass outside, and matching spring pictures to their real counterparts outside!

Motor: These next few weeks we will be spending plenty of time outside enjoying the sunshine and fresh air. We will get our bodies moving by jumping through hula hoops and using the stair steps.
