

Two's News

Week 31 March 14-18 Topic: Spring

Introductions: come & go

Bits of Intelligence: World Wildlife

Language Arts: Mrs. Christine loves Spring and has quite a few fun new songs to share with the children, such as “Mr. Sun” and “Baby Bumblebee”. Books for this week are titled Spring Clean Up and The Bear Wants More. We will also discuss what activities we can participate in during the Spring and what kind of clothes we wear. We will talk about what happens with plants and animals in the Spring. Our flannel boards will feature flowers, butterflies and 5 green frogs.

Concept: Ms. Sam is hoping the weather will warm up so we can enjoy taking nature walks outside in our backyard. We will keep an eye on our plant and tree outside for growing leaves. Ms. Sam has many fun Springtime shelf jobs to share. The children will enjoy learning about rain and how it helps plants grow.

Craft and Writing We are super excited to foil paint a springtime tree this week. The class will surely enjoy some sensory fun while finger painting. You can expect to see many springtime crafts and papers coming home to decorate your fridge. A St. Pat's rainbow is sure to brighten up the week.

Reminders

March 17th—wear your **GREEN** for St. Patrick's Day!

March 22nd & 23rd - help us celebrate the arrival of Spring by wearing the colors

PINK and **YELLOW**
