March 14-18 Week 3! Theme: Frogs

Introduction: number 4

We're TOAD-ally ready for Spring! We're so HOPPY spring is almost here! We'll be jumping for joy with all of our froggy activities. Our water table will be transformed into a frog pond. A game of bug splat will be a fun way to review our colors as they swat colored flies with a fly swatter.

Fly swatter art will bring a lot of laughter and smiles to the class. Lily pads will be painted along with handprint froggies! Number fun will be enjoyed as we jump on lily pads as well as sing a favorite flannel board story Five Green and Speckled Frogs.

On Thursday we'll have a Shamrockin' party for St. Patrick's Day. Please send your child in a green shirt to help make our day extra festive! Rainbows and gold coins will fill the room with fun on this day.
