

Toddler Times

March 21-25

Theme: Spring

Spring has sprung and we are so excited for its arrival! We'll be talking about all things Spring! A fun indoor puddle jump game will get our bodies moving as well as lots of outside play. Since we know that spring showers bring flowers, we will also enjoy a new fun fine motor game. We will put pretend flowers in a strainer and pretend to "pick" them.

Ms. Jackie has lots of springtime songs, fingerplays and flannel board stories to share with the class during circle time, including Rain, Rain Go Away, Over in the Meadow, Mr. Sun, Two Little Bluebirds and more! A color pop up book titled Peek-a-Boo Springtime will be enjoyed on our spring color days. Don't forget to wear your PINK or YELLOW!! Many pink flowers and yellow ducklings will decorate our class as we welcome spring. We love to display all of our artwork, which keeps our classroom looking bright and cheerful. Mrs. Jackie will introduce watercolor paints as we paint a raindrop picture. We will also paint yellow rainboots.

*****Spring Picture Day is Wednesday, April 6th
