Week 32: Farm March 21st-25th

Fable #6: The Boy and the Hazelnuts

Moral: Do not try to take too much at one time.

Bits of Intelligence: Musical Instruments

Introduce: Ss and Tt

Motor: The path activity this week will include children hopping like a bunny, the tunnel, hula hoops and blocks. The children will practice dribbling and will then play basketball.

Language Arts: The teachers will explore the farm with many theme related books. The song “Old Mac Donald” will be sung, in spirit of our farm theme. Ss and Tt will be added to our phonics board. A new review game will be fun for the children when they have to guess which letter is hiding in the barn. Ms. Jen will reinforce our new fable by having the children reach into a jar of pom-poms.

Vocabulary:

Scamper: to run or move quickly

Tedious: long and tiring; boring

Concept: Ms. Jen will discuss what goes on at the farm in the springtime as well as different animals that can be found on the farm. We will begin counting by 2’s as we clap to a pattern. A friendly farm animal will help us estimate distance.

Craft and Writing: Lots of farm related pictures are on the agenda. Our two new letters will be reinforced this week. The farm theme lends itself to many fun arts and crafts. Save room on your refrigerator!
