

Junior Journal

Weeks 36 and 37: May 2- 13, 2022 Theme: Plants/Mother's Day

Language Arts:

The Juniors will be discussing plants. We'll learn different names of plants, what they look like, how to take care of plants, and their importance in nature. In addition to our theme, we will be playing phonics games to help us review the alphabet. I will continue to work individually with the children on their reading stories, and as a group.

Concept:

The children will learn how to take care of plants, as we continue to water the plant in our classroom. Several plant-themed jobs will be added to the shelf. We will also be taking nature walks to observe the plants we see outside.

Notes to Parents:

- Registration for the 2022-23 school year and summer camp 2022 is open to registered families. Forms and information on fees have been sent home. Please remember, every child must re-register for future sessions. WE ARE FILLING UP VERY QUICKLY AND WAITING LISTS HAVE STARTED IN SOME CLASSES.
- Teacher Appreciation Week is May 2-6, if you would like your child to draw their teacher a picture or write a note!

Motor:

We'll be moving our bodies, as we pretend to be flowers in the wind! Look at our stems sway. We will also be observing the beautiful environment around us, as we play outside.

Craft and Writing:

Look for several plant projects and papers to be decorating our classroom walls, and coming home your way. We will also work on several review papers to help reinforce what we have learned in the Junior room.

We look forward to the Noonan Olympics and Spirit Days next week for our LAST week of school, May 31- June 3.

The Junior Spring Music Program, is on Saturday, June 4 at 9:30 AM in our school parking lot. Please arrive 15 minutes before the show, bring your own chair. Also, let us know if your child will not be able to attend.
