

**Bobbie Noonan's Child Care**  
Palos Hills

Weeks of 4/18 & 4/25

**Junior Journal**

**Theme: Earth Day**  
**Introduce:** Yy, Zz, star, pentagon

**Vocabulary Word:** jumble: *to mix or throw into a confusion*  
underneath: *in a position lower than; under*

**Language Arts:** The Earth is where we all live. We need to take care of it. So Mrs. Lynn will bring in some clean trash and we will learn to recycle it. For the next two weeks we will be learning all about our earth and how to help it stay clean. We will be reading books like *The Family of Earth*, and *Recycling Day*. And we will learn the 3 "R"s; Reduce, Reuse, Recycle!

**Concept:** The next two weeks we are going to learn how to take care of our Earth with the three r's- reduce, reuse, and recycle. We are also going to be playing "what's missing?" and working with patterns.

**Craft & Writing:** We will be learning how to keep our Earth clean for the next two weeks. Look for some fun green Earth Day projects to come home with your children. We are near the end of the alphabet and will be practicing Yy and Zz. The children are working real hard on their tracing abilities. Some of us can even write our own name now!

**Important Dates:**

April 22.....Happy Birthday Mason Duncker!

**Note to Parents:** Spring is slowly arriving and as the weather gets nice the children will be going outside more and more. It is important the children wear **gym shoes** so there is no tripping and falling outside. We are learning about helping the Earth and need half gallon cardboard juice/milk containers for a project. Thanks for your help.
