## Language Arts:

Over the next two weeks, students will continue working on the concepts previously introduced such as short and long vowels, blends, and continue working on digraphs and begin to introduce contractions. We will continue to work on our Guided Reading books and phonics workbooks.

## Math:

Nonstandard measurement and weight will be reinforced over the next two weeks along with our concepts we have been working on such as fractions, money, time, and simple addition and subtraction. We will use the scale and introduce rulers to the students in the upcoming weeks as well.

## Social Studies/Science:

We will spend time discussing how to keep our Earth clean and learning about the 3 R's: reduce, reuse, and recycle. The students will learn why it is important to begin this now because it will effect the Earth for years to come. We will continue working on our phone numbers and addresses. Spring is in full swing we will be discussing different types of birds that we could see outside.

## Spelling List

bug  
dug  
rug  
jug  
lug  
mug  
tug  
shrug

Test will be Friday, April 29th.

## NOTES TO PARENTS:

- EARTH DAY WILL BE CELEBRATED ON FRIDAY, APRIL 22ND.

Have a GREAT  
Two Weeks!  
Mrs. Munoz
