

Junior Journal

April 25-29

Topic: Plants

Week 37

Introductions:

Reading Story #6
New story word –
Go

Vocabulary:

Utensil – an object
or tool used for some
purpose

Variety – a number
of different things.

Language Arts: A discussion about plants will include such facts as growth and the importance of sunlight, water and soil. Weather permitting, we will be reading stories outside.

Craft and Writing: It's sure to be a busy week in Ms. Demi's class. The children will work on readiness papers that feature the shapes we have learned throughout the year. The children will trace large and small flowers for plant week. They will also be creating a fun flower craft.

Motor: Ms. Demi will treat the children to plenty of fresh air this week as they take to the outdoors. Path activities will involve the steps, jumping over blocks, kicking and tossing a ball to the teacher. A few old favorites such as bowling, Freeze dance, Hot Potato and musical rugrats will be enjoyed by all.

Concept: Ms. Jen plans to take the children outdoors to see which plants are beginning to sprout and to see the buds growing on the trees. Back indoors they will compare and contrast the difference between plants and trees. We will take a look at our sweet potato plant that has been growing in our classroom. We will discuss different parts of a plant and what they need to grow.

Year End Musical

Wednesday, June 1st
5:30pm at school

Please check your child's backpack to make sure they have a complete set of extra clothing.
