

BOBBIE NOONAN'S CHILD CARE
Tinley 2
Toddler News
May 9 - 20, 2022

Theme:
Bugs

Introduction:
Number: 5

SONG OF THE WEEK
"I'm a Big Cicada"

I'm a big cicada with eyes of red.
I fly around and hit you in the head.
I crawl up from the ground and climb a tree.
I make a funny noise that's just for me.

LANGUAGE ARTS: *Bugs* will be the talk about over the next two weeks as we learn all about different types of insects. We will enjoy listening to finger plays and singing songs such as, "Itsy, Bitsy Spider", "Ladybug, Ladybug" and "I'm a Big Cicada".

CRAFT & WRITING: We will be working on many papers to reinforce our theme of bugs. The children will paint a bee with the color yellow, watercolor a bug, and make fireflies out of their thumb prints. We will also work on papers to reinforce our new number 5 and we will be making bugs out of play-doh.

CONCEPT: The number 5 will be added to our daily review. During our concept time, we will be counting bugs, matching colored bugs and we will review all the letters and numbers we've learned this year.

MOTOR: The children will be having fun crawling through the tunnel and walking on the balance beam. We will be going outside to enjoy the spring weather and we will also keep a close eye out for real bugs.

Have a great week!
Miss Erika
