## Theme: Dinosaurs

**\*Bring any anything dinosaur for show and tell\***

The children will enjoy these fun weeks, as we learn several different types of dinosaurs. Activities will teach the children the size, names, and other characteristics of these extinct creatures. We will have a ROARing good time!

## Language Arts:

The children will be reviewing word blends and vowels. Some of our paperwork will include identifying a sequence, alphabetizing, and identifying differences. The children will also be learning the beginning, middle, and end of a story.

## SPELLING TEST WORDS Friday, 5/27

dent  
bent  
tent  
rent  
went  
band  
sand  
hand  
land  
pond

## Kindergarten Readiness Assessment:

These have been completed! The test results will be in soon. If you have any questions, feel free to ask.

## Math:

We will be working on addition and subtraction papers. There will also be time to review telling time, fractions, and place value. The children are getting better and better at counting money.

## Science:

We will be learning about both herbivores and carnivores, and play scientists as we study bones. The children will love our classroom Archaeological dig and volcano activities.

The children will learn about triceratops, diplodocus, stegosaurus, predators, and t-rex and also enjoy working with fossils. These will be some of the dinosaur facts we will explore...

When did dinosaurs live?

How do we know about them?

How do we know what they looked like?

What did they eat?

## Happy SUMMER Birthdays!
