Weeks 37 and 38: May 9-20, 2022 Theme: Creepy Crawlers

Language Arts:

We will explore the wonderful world of creepy crawlers. The children will be introduced to several of these creatures, including: ladybugs, butterflies, ants, and caterpillars. Our finger plays Caterpillar, Caterpillar, Butterfly and The Eency Weency Spider will help us learn about these creatures. The children will enjoy one of their very favorites, The Very Hungry Caterpillar.

Concept:

For the next two weeks, the children will have fun matching, sorting, and counting a variety of bugs. In addition to our study of bugs, the children will have time to explore at

the water table, and continue developing their pouring skills. We will also have daily shelf time.

Motor:

We'll continue to enjoy the spring weather, and take most of our motor time outdoors. Indoors, motor time will consist of the hula hoop jump, zigzag walk, and color toss. While outdoors, we will keep our eyes open for real-life bugs.

Craft and Writing:

The children will be coloring and using collage materials to decorate creepy crawlers. Many bug papers will be crawling into your homes!

Class Mascot:
