Weeks 37 and 38: May 9-20, 2022 Theme: The Farm

Language Arts:

The children will enjoy several selections on the farm. We will learn the animals that live on the farm, jobs that need to be done on a farm, and how to care for farm animals. The children will see that mammals take over the majority of the farm. We will also have fun books and stories to share!

*Please bring in any pictures of farm animals for a collage.

Concept:

Farm and farm animals will be added to our concept shelves. We'll discuss some of the products that farm animals provide to people. After learning these facts, and several others, we will compare

and contrast various farm animals. In addition to our farm theme, we will continue our discussion on planting. We will be planting green beans. We hope to transport them outside in the next few weeks. Lastly, we'll be making butter!

Motor:

Indoors, the children will turn our classroom in to a farm, as they flap their wings to the Chicken Stuff, Duck, Duck, Goose, and the Farmer and the Dell. Outdoors, we hope to enjoy nice spring weather as we run and play!

Craft and Writing:

We have several farm themed papers and crafts. The children will also practice rhyming words,

fill-ins, and review beginning sounds with a matching paper.

We will be begin celebrating summer birthdays!
