

Nursery News

Weeks 39 & 40 May 16th-20th and May 23rd-27th, 2022
Theme: Old Favorites

Language Arts:

After a wonderful year of learning finger plays, flannel board stories, and songs, our class will spend this week reviewing all that we have learned throughout this year. We will revisit a few of our favorite books and have fun using musical instruments.

Motor:

While revisiting our favorite themes of this year, some favorite motor activities are the parachute, balance

beam, and slide. The children will also enjoy outside favorites such as: basketball hoop, flying a kite, and playing with bubbles.

Concept:

The end of the school year is just around the corner! The children will enjoy relearning group activities that we have done this year. Some of these activities will include seriation, matching and one to one correspondence. Our

hands will also explore a steam activity.

Craft and Writing:

Our crafty little artists will use a variety of creative techniques that they have learned throughout the school year! We will create some fun art projects to celebrate the end of the school year.
