

Bobbie Noonan's Child Care  
Tinley 2  
Nursery & Young Nursery News  
June 20 - 24, 2022

**Theme:**  
Ocean

**Monday: Science**

We will be making our own ocean by using sea salt, water and little fishies!

**Tuesday: Technology**

Today we will be learning about all different kinds of animals that are in the ocean by watching a video!

**Wednesday: Engineering**

Today, we will be adding to our oceans by adding different ocean animals in them!

**Thursday: Art**

Since our theme this week is the ocean, we will be doing different projects throughout the week that have to do with our theme!

**Friday: Math**

We will be counting the different animals that could be found in the ocean!

**Language:**

To reinforce our theme, we will be incorporating stories that have to do with the ocean!

**Art:**

Throughout the week we will be doing a few different crafts dealing with animals in the ocean!

**Motor:**

We will be doing a water day outside as well as an obstacle course using the tunnel, rocking boat and hula hoops!

**Concept:**

We will be reviewing our numbers by counting the different types of animals that we can find in the ocean!

**Reminders:**

**Monday, July 19th** will be our **sprinkler day**, please bring your child in their swimsuit and please apply sunscreen to your child before coming to school. Your child will also need an extra pair of clothes to change into afterwards!

!

Have a great week!  
Miss Erin
