Bobbie Noonan's Child Care Tinley Park Pre-K and Alumni July 25-29, 2022

Theme: Wild, Wild West

This week we will be focusing on our Wild, Wild West theme. If you have any books to go along with our theme, please bring them with you to class. Also, please remember to label the book with your child's name.

Monday: Sprinkler Day & Science

Today is Mrs. Jen and Miss Savannah's sprinkler day. Please have your child wear their swimsuit to school under their clothes and apply sunscreen to your child before arriving to school. Your child will also need a towel, underwear and water shoes are optional.

Cactus Sponge Experiment

Did you know that a fully-grown Saguaro cactus can soak up and store up to 200 gallons of water during a good downpour? And they can store water until the next rainfall. For our experiment we will use sponges cut out in the shape of a cactus, we then will add them to a cup with a little water and watch what happens.

Tuesday: Movie Day

Today we will relax and watch a movie. You may bring in a G rated movie and we will vote to see what movie(s) we will watch.

Wednesday: Engineering Western Block Play

We will build a farm using different blocks and different farm animals. The rest is up to the kiddos to just have fun.

Thursday: Art Cactus Art

Today we will paint our very own cactus and glue toothpicks on for the cactus spines.

Friday: Math I Spy Counting

To do this we will have a Wild, Wild West find and seek paper with more than one of each object on it. We will have to find out how many of each object there is and write it down. Once we are done with that, as a group we will graph each Wild, Wild West object.
