THEME: Snugglies/Pets

September 5, 2022

In our second week of *snugglies*, we will include *pets* in our discussions. If your child has a picture of their pet, please send it in to share with the class. Be sure to put your child's first and last name on it. The numbers 1 and 2 will be introduced.

Our center will be closed on Monday, September 5 for the Labor Day holiday.
We hope everyone has a great weekend!

Mrs. Desi, Mrs. Taghrid, Mrs. Catherine and Mrs. Melissa

Student of the Week

Ronan Brooks

Anna Cella

Happy Birthday!!

Sloane Brown 9/9

Language Arts: To enhance our theme, we will discuss dogs and puppies, and cats and kittens. We will also listen to several stories about our canine and feline friends. The game "Simon Says" and the song "Wheels on the Bus" are great listening activities. "Twinkle, Twinkle Little Star" is a great way to enhance our fine motor development, and "Teddy Bear, Teddy Bear" enhance gross motor development.

Concept: We will review all of the concepts we have learned so far. Red/ blue, circle/ square, and big/little have all been added to our jobs on our shelves. Items on our science table will discussed this week as well.

Craft & Writing: This week we will be creating some fun "snuggly" pets and review circle, square, red and blue as we make our creations.

Motor: Let's take a ride in the rocking boat this week! The children will be getting plenty of exercise outside this week with our new balls and will learn to use the balance beam as we play the following directions game. The children will also take part in an obstacle course this week.
