**Review: All we have learned so far!**

**Language Arts:** Mother Goose and all of her friends are going to help us learn about the many Nursery Rhymes over the next two weeks. We will focus on a few classroom favorites like Humpty Dumpty, Hey Diddle Diddle, Twinkle Twinkle Little Star, and Baa Baa Black Sheep. Our class will enjoy learning this topic through songs, finger-plays, and flannel board stories. We will also listen closely to these songs from our story CD'S. Fall is finally here! Our class will look closely at real life photos of this new season and have a classroom discussion about our favorite things about Fall!

**Craft and Writing:** Our busy little artists will be focused on many Nursery Rhyme papers throughout the week. Our creativity will shine as well practice our coloring skills. We will be working hard on our new letters Cc and Dd. Our class will enjoy collaging these new letters for class. We will also have time to explore playdough towards the end of the week.

**Concept:** Mother Goose has dropped some of her Nursery Rhyme pals in our classroom! We will be ordering Jack's candlesticks by seriation (Small, Medium, and Large). Mary, Mary, Quite Contrary's flowers will introduce seriation by length (Short, Medium, and Long). Finally, Hey Diddle Diddle's cow will help us review proposition words. We will also discuss our seasonal board as we learning all about the new season of Fall!

**Motor:** Jack be Nimble, Jack be Quick, Jack jumped over the candlestick! The children will take turns being "Jack" as they jump over a pretend candlestick. Weather permitting, we will spend motor outside on the playground.

**Notes to Parents:**

- Please like us on Facebook to see exciting things happening at our school!
- Parents, please remember to label extra clothes, blankets, and cot sheets.
- Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!
