Nursery News

Weeks 6 and 7: September 19th-23rd and 26th-30th, 2022

Theme: Fall

Introductions:

Colors- Yellow and Green

Numbers- 1 and 2

Review:

Letters- Aa

Colors- Red and Blue

Shapes- Circle and Square

Manners: 1 & 2: "Try to share" and " Use words, no hitting"

Language Arts: Crunch, crunch, crunch go the autumn leaves under our feet. Autumn is here! Our class will explore the wonders of this season through many songs, finger plays and stories. Our featured songs are "Scarecrow, Scarecrow", "Leaves are Falling", and "Five Little Acorns". Introducing the colors yellow and green will be a fun challenge!

Craft and Writing: Our little artists will enjoy creating some very colorful fall projects. We will also discover our new colors yellow and green as we collage and finger paint while using these colors. Get ready to see some amazing crafts!

Concept: Autumn winds begin to blow, colored leaves fall fast and slow. The children will enjoy voting on their favorite leaf color. Many new fall activities will be added to the concept shelf.

Motor: The children will have fun as they pretend they are raking up some fall leaves. The children will also enjoy a nature walk as we walk around our playground and talk about how the leaves are changing colors and much more.

Notes to Parents:

- **First Day of Fall! 9/23**
- **We will be celebrating Johnny Appleseed Day on Monday, September 26th!**
- **Please like us on Facebook to see exciting things happening at our school!**
- **Parents, please remember to label extra clothes, blankets, and cot sheets.**
- **Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!**
