

Two's News

Sept. 6-10 Week 4

Theme: Pets

No school Monday, September 6th, Labor Day

Language Arts: The children absolutely loved Ms. Christine's theme bag so we will be revisiting that again this week for sure! This week we will focus on repeating all the different sounds that pets make by rolling large dice with different pictures of pets on each side. As the children become more familiar with the daily routine, the teachers continue to reinforce sitting nice for class time and using listening ears.

Concept: We will have tons of fun using building blocks to build a homes for our pets. The colors red and blue will be reviewed as we "feed" our pet dog bones of these colors. Shape sorters will be added to the shelves to help the children master the concept of circle and square.

Craft and Writing: Mrs. Nicole has some wonderful projects planned for this week. The children's hands will be busy as they work with Play-doh and stickers. Mrs. Nicole gets really crafty as she helps the children use puffy paint and cotton balls.

Motor: Our bodies will be moving as we pretend to be different pets. Please send your child in socks and gym shoes because we will be playing outside as much as the weather permits!

Happy Birthday to Elliot Gleich on 9/13

Two's Classroom Reminders

- ♦ **Use listening ears**
- ♦ **Use nice touches**
- ♦ **Use walking feet**
