Mrs. Munoz

Kindergarten Kaleidoscope

**Weeks 9 and 10: October 10th-14th
and 17th-21st, 2022**

Theme: All About Pumpkins

Introductions:

- **Ones & Tens**
- **Simple Additions**
- **Setting, Characters, Author,
and Illustrator**

Language Arts: We will continue to practice printing our letters along with working on our phonetic sounds. We will continue to explore our word families. Word families are words that end in the same sound such as in, it, and, et are a few examples we will be working on. As always we will continue reading our Bold Beginning stories. The students are moving along at their own pace as we read in small groups or pairs. Please continue to practice sight words and have your child read them to you for their Reading Challenge.

Social Studies: We will continue working on our address and phone numbers this week.

Math: We will continue working on our addition facts and place value using manipulatives. We are working on ones and tens.

Science: We will be exploring the characteristics of pumpkins.

Notes to Parents:

- **Halloween Party and Trunk or Treat will be on Monday, October 31st!**
- **Please remember to check your child's folder everyday! We will be starting our fun projects and homework assignments.**
- **Please keep toys and accessories at home. This becomes a distraction for our class and we don't want these special items to get lost at school. Thank you for your cooperation!**
- **Students should be working on their October Reading Challenge!**
