Introductions

run, jump

Upcoming Events

Bobbie Noonan Pumpkin Patch will take place on Tuesday, October 11.

Every student will bring home a small pumpkin from our pumpkin patch.

Thank you to the Carmine family for donating all of the pumpkins!

Halloween Parties

October 27 & 28

Orange & Black Day

October 31

Language Arts: Big Bird and Elmo will enhance our enjoyment of the finger play, "Five Special Friends," and the flannel board story, "I Have a Friend." Our listening activity will help reinforce what types of actions our hands can do with a friend and reinforce our action words *run* and *jump*.

Concept: Nesting blocks will be introduced this week and added to our shelf jobs. We will have fun sorting different objects. During the later part of the week, the water table will be open for the children to practice their strengthening skills as they squeeze a sponge full of water.

Craft & Writing: This week we will be finger painting and coloring some pictures of special friends. We will also be reviewing *yellow* and *green*.

Motor: Our new action words, *run* and *jump*, will be put to the test in class, as well as parachute play and ball playing.
