Language Arts: This week, we will enjoy several finger plays, flannel board stories, and books that reinforce our theme of *Careers*. Our new listening activity will have us "stomping our feet."

Concept: This week we will match winter and career pictures, and review the concept of small, medium, and large. As a group, we will have fun with the "tactile bag". The water will be open and we will have fun making bubbles!

Craft & Writing: This week, we will be creating a craft using our new colors. We will also be coloring and painting pictures that illustrate different careers.

Motor: An obstacle course will be set up to help us with our crawling skills. Ball playing and balancing on the balance beam will be a fun addition to our class this week.
