Where do you go when you are feeling sick? This week our focus will be on people who take care of us when we are feeling sick, besides our mom and dad.

**Concept:** Following the Nutritional Guidelines of "My Plate," our class will sort and classify food groups and put together healthy plates of food. The *What's Missing* game, using health and nutrition items, tests our memory skills as well.

**Motor:** Let's score a goal for healthy exercising! Indoor soccer will be part of our lesson this week.

**Craft and Writing:** Letters Yy and Zz printing and phonics papers will be completed this week. We will practice writing numbers 1-20 and create a Groundhog's Day project.

**Language Arts:** What makes us healthy children? A discussion on nutrition and exercise will continue this week. Our last two letters will be added to phonics board. We will play *What Do You Hear?* and sing many Valentine songs. The featured story will be "Those Mean, Dirty, Downright Disgusting but Invisible Germs"
