Review:

All that we have learned so far!

Language Arts: “This is the way we wash our hands, wash our hands, wash our hands, this is the way we wash our hands, early in the morning!” During the next two weeks, we will be discussing hygiene and how to keep our bodies clean. We will learn all about healthy and unhealthy foods.

Craft and Writing: Over the next two weeks, we will create fun healthy crafts using tissue paper, shaving cream, and watercolors.

Concept: Our class will practice a teeth brushing activity during the week.

Motor: Exercise is good for you, no matter what your age. The children will have fun dancing and stretching their bodies on the tumble mat. Our class will also get to use the balancing board to practice their balancing skills!

Notes to Parents:

- **Martin Luther King Jr. Day is Monday, January 16th. We will be discussing his importance to the world!**
- **Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!**
- **If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!**
- **Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!**
- **Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.**
- **Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.**
