Fable #5

Letters- Oo, Pp

Review- All that we have learned so far!

Star Students:
**Finn P &
Stella T.**

Language Arts: Calling all zoo keepers! Can you help us discover and name animals we see at the zoo? We will look closely at picture files of wild animals and discuss fun facts about them. We will also compare and contrast pets vs. wild animals in a class discussion. Our featured song of the week is, "I Went to the Zoo"!

Craft and Writing: Let's get ready to learn the new letters Oo and Pp. These new letters will be added to our craft papers this week. As we learn about zoo, we will collage zoo animals and watercolor a variety of jungle animals.

Concept: Do they have fur or do they have hair? Do they breathe air? Do they have a skeleton? Our class will learn the difference between what is a mammal and what is not. The children will learn about where these animals live, what they eat, and we will be comparing and contrasting a variety of different animals.

Motor: The children will have fun pretending to be zoo animals as we enjoy playing the animal action game! We will also have fun playing a game of hopscotch to work on our balance and hopping skills.
