Theme: Transportation

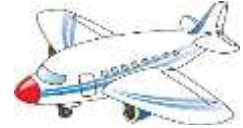

February 6, 2023

The excitement of planes, trains and automobiles will begin this week.

With Valentine's Day right around the corner, we will spread the love through poems, songs and stories

Mrs. Desi, Mrs. Taghrid, Mrs. Catherine and Ms. Melissa

Language Arts: We will look closely at pictures of cars, motorcycles, boats, airplanes and trains. We will explore the many modes of transportation we use through story books, finger plays, and music.

Concept: During this week, we will be putting the right form of transportation with its property. An example of this is: *boat/water*. We will be matching cars to their right size garage.

Craft & Writing: Vroom, Vroom!! Our class will paint their favorite vehicles this week. We will also have fun playing with shaving cream this week.

Motor: We will be getting our exercise this week! Push-ups and toe-touching will be introduced. Our bean bags will be used to help differentiate color and size. The balance beam and stair step will be used as well.

- **Registration for the 2022-23 school year** Registration has begun. All current students need to re-register for the new school year. If you return your **fall registration** forms by **February 15**, you will receive 50% off your registration fee. Request your registration form today! Registration opens to the public on February 15.
- **Job Openings** We are looking for teachers and teacher aides for our center. If you know someone who is interested in working with children, please contact Mrs. Geri or Mrs. Paula at 815/469-2627.
- **Parent/Teacher Conferences** Our center will be closed to half day students on Monday, February 21, so that the teachers can conduct conferences.
