## Concept

In concept this week, we will be playing some of our favorite review games. I am going to let the kids run the class and choose which activities they want to do. I will also be giving them some free center time.

## Language Arts

Its all about our favorite books and songs from the year this week. I will give each child a chance to choose a story to read in class. We will also use our overhead projector to practice our Taffy Apple Stories one last time!!

Attention: May 24th we will be having a birthday party for all of our summer birthdays! If your child has a summer birthday feel free to bring something in to share so we can celebrate!
