June 19-23, 2023**

**Theme:**  
Camping

Let's go on an adventure!

**Language:**

We will be learning fun facts about camping! We will be reading stories and sing songs that will reinforce our theme of camping.

**Concept-Science-Math-Technology:**

Ove the next 2 weeks we will be working on our counting skills with a firefly counting activity, we will be building boats out of Legos and we will go out on a nature walk in our yard to look for leaves, flowers and sticks.

**Art:**

The next 2 weeks the children will be doing many fun art activities that reinforce our theme. They will be sponge painting a campfire and they will watercolor a tent. We will also have fun playing with play-doh.

**Motor-Engineering:**

The children will be having fun creating and playing in an obstacle course using the stair steps, rocking boat and the tunnel and we will also be making our own tents.

### Water Day:

We will be having a water day on Friday, June 23<sup>rd</sup>. Please have your child come to school dressed in their swim suit and apply sunblock before coming to school. Also, make sure to bring in a towel, water shoes, and an extra set of clothes to change in to when they are done. All items can go into a bag that is labeled with your child name.

Have a great week!  
Miss Erika, Ms. Lisa & Mrs. Katie

### Camping Song

(Sung to: "Where is Thumbkin?")

Let's go camping.  
Let's go camping.  
Pack the tent.  
Pack the tent.  
We will all go hiking.  
We will all go swimming.  
We will have fun!  
We will have fun!
