Theme:
Camping

The next 2 weeks we will be learning all about the great outdoors.

Week of June 12-16

Monday: Music

Today we will have fun with music as we go on a bear hunt around the classroom.

Tuesday: Language

Today we will be reading stories about camping and we will talk about how to be safe while camping.

Wednesday: Art

Marshmallow painting and coloring papers related to camping will be done.

Thursday: Motor

The kids will have fun fishing while sitting on the rocking boat.

Friday: Engineering

The kids will be building their own tents using toothpicks and mini marshmallows.

Week of June 19-23

Monday: Language

We will be reading stories about camping and we will talk more on how to be safe while camping. We will also have a sloth visiting our school today from Flying Fox Conservation.

Tuesday: Art

Today we will be creating a campfire using red and orange paint and construction paper.

Wednesday: Motor

The kids will have fun as we use the balance beam to pretend we are balancing on a log to cross over water.

Thursday: Science

Let see what happens when we put marshmallows into different liquids?? The 3 different liquids we will be using are water, vinegar and juice.

Friday: Technology

The kids will be watching an educational video on camping safety.

Have a good week!

Miss RaeVen
