**Theme:**  
Camping

Camping will be our theme that we will learning about for the next two weeks. We will also have many fun camping activities planned! If you have any camping books you would like to share, please feel free to bring them in. Remember to label the book with your child's name!

**Science:**

**Dancing Worm and Roaring Campfire in a Jar**

Let's have fun watching our worms dance! To make our worms dance we will be using baking soda, gummy worms and vinegar. Once one of these ingredients is added, the worms should start to dance. Which ingredient do you think will make the worms dance? Let's sit by the campfire! We will be making a campfire using water, red and yellow food coloring, vinegar and baking soda.

**Technology & Engineering:**

**Telephone with Cups & Building Tents**

Today we will be playing cup telephone! To do this all we need is 2 cups and a string. We will begin our game by saying a mystery camping word in one end, by the end we will see if we have the same mystery camping word or if it has changed.

Let's see how creative we can get with building our own tents! To build our tents we will use only 2 items.

The 2 items are tooth picks and mini marshmallows. Who will have the most fun building their mini marshmallow tents? Due to the nutrition policy the kiddos will not be able to eat any of the marshmallows.

**Art:**

**Smoers & Foil Painted Campfire**

We will be making our very own smores. To do this we will be using cardstock for the graham crackers, construction paper for the chocolate and cotton for the marshmallows. Once we are done gluing it together we will add some finishing touches. The kids will be coloring and cutting out their logs for the campfire and then adding red, orange and yellow flames using crumpled up foil.

## Math:

### Roll the Dice Game (adding) and Number Fishing

For our math activity we will play roll the dice game! To play this game, the kids will roll 2 dice and then count them. Once they count their dice, they will add 3 to that number and use a bingo dobber to dot the number if they have it on their camping paper. The kids will be sitting in the rocking boat while they go fishing! When they hook a fish and reel it in they will need to tell us what number is on the fish before throwing it back into the water.

### Thursday, June 15<sup>th</sup>: Sprinkler Day

Thursday, June 15<sup>th</sup> will be Mrs. Jen's and Miss Savannah's sprinkler day!

Please wear your bathing suit to school under your clothes and apply sun screen to your child before you arrive to school. You will need a towel, underwear and water shoes (optional). Your child may also bring in a small spray bottle to keep at school for hot days. Please label with your child's name.

### Happy Birthday:

Saylor – June 12<sup>th</sup>

Have a great week!

Mrs. Jen and Miss Savannah

### Camping Song

(Sung to: "Where is Thumbkin?")

Let's go camping.  
Let's go camping.  
Pack the tent.  
Pack the tent.  
We will all go hiking.  
We will all go swimming.  
We will have fun!  
We will have fun!
