Pets

Introductions:

Review

Language:

It's pet week! We will be introducing the kids to a variety of different kinds of pets. We will learn the importance of taking care of a pet. We will be doing many fun finger plays and we will read a story called "Where's Spot".

Craft & Writing:

This week we will be coloring and painting different kinds of pets. The kids will also enjoy playing with play-doh.

Concept:

We will continue our daily activities of calendar, weather and shelf jobs. We will also continue to review the colors and shapes we have learned so far. Do you have a pet at home? If so, feel free to send in a picture of your pet, so we can share it with the class.

Motor:

I will introduce one of my favorite motor activities called block bowling to the kids. We will also be dancing to a fun song called, *Shake Your Sillies Out*.

Reminders:

The school will be closed on Monday, September 4th for Labor Day. As a reminder, there can be no switching of days and full tuition is still due for this week.

Have a great week!
Mrs. Nina & Ms. Lisa
