Junior Journal

Theme: Getting Acquainted
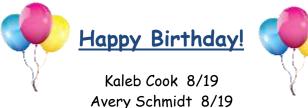

Introductions: Colors - **Red, Blue**

Language Arts: Our Language Arts room is where the children work with language development through flannel board stories, finger plays, stories, and songs. Weekly topics are discussed and beginning reading skills are taught. The teachers will introduce the children to a new puppet friend, *Taffy Apple.*

Concept: Our Concept class is a mini "Montessori" room filled with self- correcting and self- pacing materials. Simple science activities are also done in this room. The teachers will be introducing shelf jobs, the calendar, and some simple math skills throughout the year.

Craft & Writing: This is where the children will do simple readiness papers, letter and number printing, craft projects and work on scissor skills.

Motor: Throughout the course of the year, the children will participate in various physical games or activities to improve their balance, coordination, and muscle development. We will take advantage of the nice weather and use our playground as well.

 Happy Birthday!

Kaleb Cook 8/19
Avery Schmidt 8/19

All newsletters will be posted on our website at www.bobbienoonans.com/frankfort/ . This is the only newsletter you will receive in paper form.

The new school year has finally arrived! To all of our new parents and children, Welcome! To our returning families, it is good to have your back!

This weekly newsletter keeps you updated on the topics we are covering and reminds you of any special events. It will also tell you about the concepts being introduced and reviewed.

This week will be introductory week for your child. It is designed to help your child adjust to the school routine.

We are looking forward to a fun year!

Mrs. Roxanne, Mrs. Catherine and Miss Taylor
