**Theme:**  
Getting Acquainted Week

**Introductions:**  
Red & Blue

**Reading Story Words:**  
Taffy, Apple

**Language:**  
Welcome to language! This week we will be meeting new friends and learning new rules of the classroom. The words Taffy and Apple will be introduced; these words will be in our future reading stories.

**Craft and Writing:**  
Welcome to the craft and writing section of the newsletter. Each week the children will get to use a variety of materials that will include: Paint, crayons, glue, markers, scissors, pencils and play-doh are just to name a few. The children will also work on readiness papers that will reinforce our letters, numbers, colors and shapes etc.... This week we will introduce the children to the colors red and blue. We will go over the rules on how to use scissors. Play-doh will be used for fine motor to work on strength and flexibility of our hand and fingers.

**Concept:**  
Welcome to concept! This week the children will be introduced to the many areas of concept. Part of our daily routine will include calendar, weather, number line, counting and estimation.

**Motor:**

Get ready to move! During motor time we will get the children up and moving all different parts of our bodies. Hula-hoop walk, hot potato and out door play time will be a part of our motor activities for the week.

**Reminders:**

Please make sure that your child is dressed appropriately for the weather each day, as we will be going outside every day, weather permitting. Please, no open toed sandals or crocks, gym shoes are the safest for outside play.

Have a great week!

Mrs. Katie, Miss RaeVen & Miss Sarah

**Poem of the week**

Friends are special  
Let's make a few  
Smile and say  
How are you?
