

Nursery News

We are continuing to get to know each other. We are having a lot of fun exploring the many new things at school. Don't forget to dress your child in gym shoes, as we will be going outside to play on a daily basis.

Have a great week!

Mrs. Desi, Mrs. Taghrid, Ms. Melissa and Miss Riley

Item Needed!

Please bring in a family photo that the children can not only share with the class, but also look at for comfort!

Introductions

Colors: Red, Blue

Job Opportunities

We have a need for teachers, teacher's aides and cooks at a few of our centers.

If you know anyone who may be interested, please have them contact Mrs. Geri or Mrs. Paula, 815/469-2627.

**Theme:
Getting Acquainted**

Language Arts: We will begin the week with a listening activity and enjoy the songs *Twinkle, Twinkle Little Star*, *Row, Row, Row Your Boat*, and *Pat A Cake* this week. Puppet play will be a lot of fun!

Concept: The children will learn new jobs to reinforce the colors *red* and *blue*. We have sorting jobs, along with our other jobs: peg boards, blocks, and bristle blocks.

Craft & Writing: During our second week of school, we will be doing arts and crafts to introduce the colors red and blue. We will be finger painting, dot painting, and playing with play doh.

Motor: Music will help reinforce body parts, including the song "Put Your Finger On". The stair step and balance beam will be used this week to help with balancing and forward walking. Weather permitting, we will definitely be going outside this week!
