**Language Arts:** Week 2 arrives to find the students settling into a comfortable routine. The boys and girls will continue to get to know one another as we begin a new unit of study on manners. We'll learn that manners are kind and thoughtful ways to treat other people. We will play the please and thank you game and race to pass balls into cones in the share the ice cream game.

Good Manners

(tune: *I'm a Little Teapot*)

I have good manners, yes I do  
I can say "please" and "thank you" too  
When I play with my friends, I like to share  
That's the way to show I care!

**Concept:** In Mrs. Melissa's class this week we will learn how to compare and contrast using a pencil and crayon, as well as a ball and an orange. Towards the end of the week we will use different sized boxes for size sorting. We will be explorers outside and look for sticks, leaves and rocks. When we come in we will collect what we found and discuss things that are found in nature. We will do a motor activity where we crawl on a zig zag tape line and jump through hula hoops.

**Craft & Writing:** This week in Mrs. Tiffany's class the children will be busy working on papers introducing Cc and Dd. We will have fun with our friend, Pete the Cat, reviewing our colors. We will also be busy working on our manners and making a "Bea Polite Bee."
