

### Language:

We began our week with review and introductions. This week we talked about where we live and who lives in our house. We had music. We used our language baskets to work independently. We reviewed our letters and sang our new phonics song. We also played a fun letter review game and reviewed what letter our names start with. We talked about manners and being nice to our friends. We ended the week with library time and talked about how we use books nicely.

### Concept:

At the beginning of the week we reviewed our basket rules. We worked on counting and colors. We worked on our rote counting. We used the puzzle shelf. We did a compare and contrast using apples. We did an Apple graph. Count and estimate with pom-poms. We ended the week with science shelf and free choice baskets. We also had time to go to the garden and science shelf on Friday.
