**Theme:**  
Nursery Rhymes

**Introductions:**  
1 & 2

**Language Arts:**

These next two weeks the children are going to have so much fun learning nursery rhymes. Flannel board stories, finger plays and stories will be enhancing our theme; including, "1, 2 Buckle My Shoe," "Baa Baa Black Sheep," and "Hey Diddle Diddle."

**Craft & Writing:**

We will be introducing the numbers 1 & 2 this week. Theme related papers such as pasting red brick squares onto Humpty Dumpty's wall and making a "Twinkle, Twinkle Little Star" with tissue paper will be a fun way to enhance our theme.

**Concept:**

Fun things will be happening in Concept class these next two weeks. With the weather starting to change, we will really be able to see some bright fall colors! We will continue going over the calendar and weather daily, as well as everything that has been introduced so far. We will continue to review the differences between *big* and *little*, and introduce *long* and *short*.

**Motor:**

The children will be introduced to "jump over" as we sing "Jack be Nimble". The new motor activity, log rolls, will be introduced this week. We will also work on the children's eye/foot coordination skills by kicking a ball at a target. At the end of the week we will be doing an obstacle course involving a tunnel and jumping over a line.
