

Bobbie Noonan's Child Care
Tinley II
Pre-K Newsletter
September 25-29, 2023

Theme:
Dinosaurs

Introductions:
Numbers: 9 & 10
Story #2

Reading Words:
String, Bean, Come, and

Bits:
Dinosaurs

Manners:
Eat with your spoon or fork
Talk with an empty mouth

Language:
We will continue our theme of dinosaurs by looking at many pictures and reading fun facts about each of them. The children will learn what a Paleontologist does and how they put together the dinosaur fossils. We will review letters Aa – Ff by playing a capital and lower-case matching game as well as a phonics game.

Concept:
In concept time the numbers 9 & 10 will be introduced as well as new shelf jobs including number buckets to reinforce our numbers. During group time we will be talking about the different types of dinosaurs, we will play what's missing and have a compare and contrast activity using a dinosaur vs. a dog. Our science activity this week will be to create a volcano and see if we can create a volcanic eruption!

Craft & Writing:

This week the children will be working on tracing and printing papers to reinforce the new numbers 9 & 10. We will also work on papers where the children will need to figure out what shadow goes with the object; what picture is different and number matching.

The children will also be making dinosaur fossils and dinosaur tracks!

Motor:

We will be playing a following direction game to reinforce our right side and our left side. We will also have a path activity where we will use the balance beam and hula hoops along with playing Hot Potato and using our ball and wand.

Student of the Week:

Maxwell Mugavero

Happy Birthday:

Maxwell Mugavero – September 27th

Reminders:

Monday, October 9th

The school will be closed for a staff training day!

Have a good week!

Mrs. Chrissy

Mrs. Jen
