

Bobbie Noonan's Child Care
Tinley II
Nursery News
October 30 – November 3, 2023

Theme:
Fall

Introductions:
Letter Bb

Language:

It's Fall Time! The kids will learn about all the amazing things that happen in fall throughout the course of the following two weeks. We will be reading stories and enjoy several fun fall finger plays. Our new song, "Leaves on the Tree"; will be introduced. We will also be introducing to our new word phrase, "come" and "go" as well as the letter Bb and the phonetic sound it makes.

Concept

We will introduce and include the letter Bb in our concept shelf jobs. We are also exploring how the weather changes in the fall and how the leaves change.

Craft and Writing

The children will use their imaginations to create a variety of artwork that relates to our theme and they will work on papers to reinforce the new letter Bb. We will also be having fun with playdoh and shaving cream.

Motor:

The ball and wand will be added to our motor fun. In addition to enjoying the fall weather outside, the kids will enjoy crawling through the tunnel.

Reminders:

Please label your child's jacket/coat. We have several kids with the same jackets and coats and we do not want them to get mixed up.

Have a great week!
Mrs. Amanda & Miss Savannah
