Junior Journal

Theme: Pets

Language Arts: The Picture File is full of animals which many of us would like to have as a pet. What types of things do we need to properly take care of a pet? Our Theme Table will provide the answer: *food bowl, pet toys, leashes, grooming supplies.*

Concept: In concept class, we will carve a pumpkin to find out what is inside. The students will learn more about root systems in an experiment with celery and colored water. Our new shelf jobs will involve counting and matching animals for *Pets week.*

Craft & Writing: This week we will practice all that has been introduced this school year, thus far.

Motor: Students will participate in crawling relay races and jumping activities this week.

Upcoming Events

Orange & Black Day-October 30
Halloween Party-October 31
Turkey Project Due-November 6

This week, we will discuss which animals are considered good pets. We are looking forward to learning all about our family pets.

Halloween is here! We will celebrate wearing orange & black on Monday and in costume on Tuesday.

Happy Halloween!
