

Theme: Spiders and Bats

Who's afraid of spiders and bats? We will find out as we make a graph in class this week.

"50" Days of School!

Can you believe we will be celebrating our 50th day of school already?

Don't forget to dress up **50's** style on Tuesday, October 24.

Have a great week!

Important Events

Picture Day-October 25

Orange & Black Day-October 30

Halloween Party-October 31

Trunk or Treat-October 31

 **Happy Halloween!** 

Craft and Writing

This week, the children will work on phonics papers and practice printing/tracing our new letters. They will learn about the different body parts of bats and spiders by labeling them and creating a booklet about them.

Math & Science

In Math, the children will learn about the geometric shapes *rectangular prism*, and *triangular prism*.

In Science class, we will learn that bats fly at night, sleep upside down, and eat 1000 mosquitoes in a single hour, and that spiders lay hundreds of eggs, spin webs, and dance.

Language Arts

The letters Qq, Rr, Ss, & Tt, will be introduced this week, along with their phonetic sounds. We will continue to review rhyming words, compound words, word families.

Gnome of the Week

Max Laban
