Theme: Nursery Rhymes

We hope the children will enjoy learning some of our favorite nursery rhymes. Have a great week!

Language Arts: Let's go on a scavenger hunt to find some nursery rhymes. Many nursery rhymes will be introduced this week. These include *Five Little Piggies*, and *Pat-a-Cake*. We will find out what happens to *Humpty Dumpty* when he falls off the wall.

Concept: Magnets will continue to be explored at the science table and we will review all of the concepts we have learned so far this year. The bug spat game is a great way to review our numbers. The water table will be opened at the end of the week and water beads will be added.

Craft & Writing: *A Twinkle, Twinkle Little Star*, and *Itsy Bitsy Spider* craft will be created to enhance our theme. The children will enjoy painting at the easel this week.

Motor: Will the children be nimble and quick as they jump over Jack's candle stick? We will find out. Log rolling on the tumbling mat and playing the *Follow the Directions* game will also keep the children busy.
