

**Bobbie Noonan's Child Care
Tinley II
Pre-K News
October 30 - November 3, 2023**

Theme:
Families

Introductions:
Numbers 13 & 14

Language:

Please help us with our theme by bringing a family picture for your child to share with the class.

As always, our daily review will consist of the letters Aa-Ll, their phonetic sounds, reading stories and rhyming words. The children will learn a new flannel board about feelings and we have an activity called "I look Like This".

Craft and Writing:

This week we will work on counting, tracing and printing the numbers 13 & 14. We will also work on a Halloween theme paper to reinforce our color words and a jack-o-lantern dot-to-dot paper. The children will also draw their family, work on printing their name and work on their scissor skills.

Concept:

In concept time we will add the numbers 13 & 14 to our shelf time activities. We will have a new group activity called "Which one do you hear?" The children will close their eyes, listen to different sounds and figure out which one made the sound. We will also discuss and compare weights of different objects.

Motor:

The children will be using blocks and a jump rope for a path following activity and will also go outside, weather permitting.

Happy 5th Birthday:

Lilly Spathelf – November 5th

Happy Birthday:

Mrs. Jen – October 31st

Student of the Week:

Lilly Spathelf

Reminders:

Bring in a family picture to share with the class.

Poem of the Week:

Have a great week!

Mrs. Chrissy and Mrs. Jen
